DONATION TO THE SANPARKS HONORARY RANGERS

Dear Mr Brough

Thank you for The Document Warehouse's generous donation of the files and filing accessories, to the value of approximately R5400 to the SANParks Honorary Rangers K9 Unit Anti-Rhino poaching programme made on 20th July 2018.

SANParks Honorary Rangers is a volunteer organisation which provides support, in the form of funds and services, to the South African National Parks. The Document Warehouse has specifically requested that the donated files & filing accessories be used at the K9 Unit administrative offices, in the Kruger Park in support of the rhino counter-poaching activities. The SANParks Honorary Rangers support of a number of such activities, including funding, tracking and sniffer dogs, supporting fuel costs for air cover and providing equipment for rangers.

We are grateful for your support, both for the SANParks Honorary Rangers and for rhino conservation in South Africa.

Yours in Conservation
